

Do you know that good oral health starts at birth?

It's important to take care of a child's mouth before teething begins. Your baby should have a dental exam by 6 months of age.

Parents, it's up to you to prevent tooth decay!

If you or your child need a dentist, call us.

Marin Community Clinics in San Rafael has a beautiful new dental clinic with state-of-the-art technology.

Highly skilled, caring dentists and registered dental assistants are eager to serve your child.

Services: • *Oral hygiene instructions* • *Exams and X-rays*
• *Cleanings* • *Tooth decay removal and fillings*
• *Extractions* • *Crowns* • *Root canals (limited)*

Keep your child's smile beautiful and healthy!

Call for an appointment: 415-526-8555

3110 Kerner Boulevard, San Rafael CA 94901

We can help if your child has Healthy Families, California Kids, or Medi-Cal insurance or is currently uninsured.
