

Paying for Services

Marin Community Clinics strives to make quality health care affordable for everyone.

Marin Community Clinics accepts the following insurance plans:

Government Insurance Programs

Medi-Cal, including special programs for pregnant women and family planning services.

Medicare

Healthy Kids

Private Plans Purchased Through Covered California

Health Net

Anthem Blue Cross

Blue Shield of California

If you do not have health insurance, your visit fee may be discounted on a sliding scale, based on family income and composition, according to federal guidelines.

Please contact a staff member at (415) 448-1500 to see if you are eligible to receive a discount or to enroll in an insurance plan. Our staff will assist you in determining if you qualify for a discount and, if so, in helping you complete the application.

Confused about insurance options?

Marin Community Clinics has trained Enrollment Counselors available to help you apply for Medi-Cal or Covered California insurance plans. Call our Insurance Help Line at (415) 755-2586 or email insurancehelp@marinclinic.org.

Payment

Payment for services is required at the time of your visit. Cash, check, debit cards or credit cards are accepted.

Our Patient Portal

The Patient Portal is an online tool that our patients can use to communicate with us and learn about health topics.

To access the Patient Portal, please ask for login information at the front desk. Once you have a portal ID and password, you may log in anytime.

The portal is available to medical patients for medical information at this time. Dental information will be coming soon.

When you log in to our Patient Portal, you can:

- Communicate with your Care Team securely and efficiently from the comfort and privacy of your home or mobile device.
- Send non-urgent questions to your provider, including prescription refill requests.
- View your personal health record, including lab results.
- Request non-urgent appointments and see the dates and times for upcoming and past appointments.
- Update your personal information.
- Access Healthwise Knowledgebase information to learn about health topics that can help you make better health decisions.
