Celebrating 50 years of caring for Marin

Founded in 1972 as a free clinic providing episodic care, the Clinics has grown into a full service health care provider in Marin County, offering a wide array of health care services, including primary medical care, dentistry, behavioral health, pharmacy, labs, radiology, and several specialty services. Services are provided to patients of all ages.

With its network of clinics throughout Marin and 50 years of experience providing high-quality health care services, Marin Community Clinics is a cornerstone of health and wellness for individuals and families. We operate eight clinics in Greenbrae, Larkspur, Novato and San Rafael that provide care to almost 40,000 individuals. Your support is paramount to our success in meeting ongoing and emergent needs.

You won't want to miss this opportunity to join in as we celebrate 50 years. The Golf Tournament allows us the opportunity to raise critical funds for supporting health care for all - while also highlighting the many local organizations who support our mission and make this area such a wonderful place to live.
