## Marin Community Clinics

Founded in 1972, the Clinics is a full service health care provider in Marin County, offering a wide array of health care services, including primary medical care, dentistry, behavioral health, pharmacy, labs, radiology, and several specialty services. Services are provided to patients of all ages. We operate eight clinics in Greenbrae, Larkspur, Novato and San Rafael that provide care to almost 40,000 individuals - that is almost 1 in 5 Marin residents.

You won't want to miss this opportunity! The Golf Tournament allows us the opportunity to raise critical funds for supporting equitable access to health care - while highlighting the many local organizations who support our mission and make this area such a wonderful place to live.
