Who We Serve

At Marin Community Clinics, we believe healthcare is a right—not a privilege. In 2024, we served more than 38,000 patients across Marin, including 12,475 children. Eighty-eight percent of our patients rely on Medicaid or are dually eligible for Medicaid and Medicare, and 85% live at or below 200% of the federal poverty level—just over \$29,000 annually for one person. With nearly one-third of our patients under 18, MCC remains a lifeline for families seeking accessible, compassionate, and dependable care.
